WITH THE THEATRES.

Mr. Frank Johnson, an old Paducah boy, has arrived from Macon, Ga., where he has been living for some time, and will remain in Paducah.

Miss Pearl J. Ford, of Indianapolis, arrived last evening to accept a position in the English Stock company, succeeding Miss Wayne, who leaves Sunday for San Francisco to go with the James Neill stock. Miss Ford the past season played "Lygia" in Quo Vadis, her company being owned by Carpenter, the same manager who owned the one on another circuit in which Miss Flora May Clark, of Paducah, played "Lygia."

There was another fairly large crowd at The Kentucky last night to witness the final production of "Douglas," and the performance was excellent. It is understood that Manager English has purchased a half interest in the play, and it will be put on the road next season. Tonight "Michael Strogooff," a stirring Russian melodrama, will be played, and there will be an excursion of people from Metropolis to witness the performance.

A chewing gum matinee will be given Saturday afternoon at 2:30 p. m. at The Kentucky. To the first five hundred ladies or children attending a 5c package of Colgon's chewing gum will be given free. The price of admission will only be 10 cents all parts of the house at the matinee.

The advertising scheme of one lady free with each paid ticket, if purchased before 8 p. m., has proven so successful the first half of this week at The Kentucky that Manager English has decided to continue this feature each Tuesday and Friday night, beginning tomorrow night, but the ticket must be purchased before 8 p. m.

The audience that witnessed the performance of "The Dashing Widow" at La Belle park theater last night, was quite satisfying in point of numbers. Tonight begins a run of four performances, including Saturday matinee, of the fine and instructing drama, "The Castaway." The play is a good one and will be well staged, and the members of the company are congenially cast, so that a worthy production can be expected. New specialties will be given by Baby Garna, Montrose Howard and E. W. Parker.

Manager Schafer, of La Belle park theater, announces an "amateur night" to be at his theater on Friday, June 20, at which—after the regular performance—the stage will be given to any local talent that can be arranged for. Mr. Schafer will offer a prize to the act best received by the audience. Any amateur desiring to take advantage of this opportunity should call on or address Mr. Schafer, at the park, as early as possible, giving full particulars, length of time of act, etc., so that necessary preparations and arrangements can be made.

Buds and Flowers of Home Life

Paine's Celery Compound

MAKES AND KEEPS THE CHILDREN WELL AND STRONG.

Mothers Make It the Home Medicine For the Little Ones.

The children, God bless them, are the buds and flowers of our home. Without their prattle and hearty laughter our homes would be desolate. They should ever be carefully tended in childhood and youth, if we expect them to ripen into perfect men and women.

In the home and at school the children have their times of ill-health and suffering. We often note the pallid and bloodless cheeks, heavy eyes, nervous movements and twitchings of limbs and muscles. They complain of headaches, drowsiness, weariness, dyspepsia and indigestion. All such symptoms and ailments mean that the seeds of disease will have a fast and firm hold, unless proper measures are taken to restore a perfect condition of health.

Thousands of wise and prudent parents have made their children happy, healthy, and vigorous by giving them nature's medicine, Paine's Celery Compound. In many severe and complicated cases, Paine's Celery Compound has restored health when the little ones were given up by physicians.

If your dear ones are not as hearty, strong, and rugged as they should be in June, try the health-giving virtues of Paine's Celery Compound. It makes and keeps the children well.

WILL PREACH TO GRADUATES.
